

# Enduring Heart & Soul Transplant Coordinator Award

## PURPOSE

This award is designed to celebrate the invaluable role that pediatric heart transplant coordinators have in coaching those going through the transplantation journey. This provides families and colleagues with the opportunity to nominate and acknowledge the many unsung heroes that play such a critical role in a child's heart transplant team.

## ELIGIBILITY

A transplant coordinator must be:

- currently employed at the transplant center/ hospital
- must be a Certified Clinical Transplant Coordinator
- must have been employed by current hospital for at least one year
- have direct patient contact with pediatric heart transplant families

## SUBMISSION REQUIREMENTS

A complete online nomination consists of:

- 250 words or less specifically stating how this individual has demonstrated exemplary patient care and is a pivotal part of their transplant team
- Nominee's curriculum vitae/ résumé
- Each nominee **MUST HAVE** at least one (1) nomination from a transplant family

**12.30.2020**  
**NOMINATIONS DEADLINE**
